

## LOCAL NEWS.

TUESDAY EVENING, JUNE 25.

For this section rain, stationary temperature, easterly winds.

**MASONIC INSTALLATION.**—On St. John's Day in the year 1717 the four old Masonic lodges in London met in convention and proceeded to choose their first grand master, and ever since that time the 24th of June has been a day of peculiar interest to the craft. In the observance of that time-honored custom the lodges of this city met last night and installed their recently elected officers.

P. W. M. A. W. Armstrong installed the following officers of Alexandria-Washington Lodge: K. Kemper, W. M.; L. Marbury, S. W.; John R. Chapman, J. W.; John A. Field, Treasurer; Jas. S. Douglas, Secretary; W. M. Smith, S. D.; C. J. Wise, J. D.; H. Straus, S. H. Lunt, Stewards; Jas. Grigg, Tiler. The following officers of Andrew Jackson Lodge were installed by R. W. Edgar Ward: L. H. Netherland, W. M.; John H. Fisher, S. W.; Frank Warfield, J. W.; Geo. F. Steiner, Treasurer; James E. Alexander, Secretary; J. E. Cox, S. D.; Alex. Drummond, J. D.; S. H. Field and John T. DeVaughn, Stewards; James Grigg, Tiler.

**EXCURSIONS.**—The Alexandria Musical Association will give a moonlight excursion to River View on Tuesday, July 16. The excursion heretofore given by the Association have been very successfully carried out, and those wishing to spend a pleasant evening should not fail to go. Plenty of dancing, roller coasting, &c., on the grounds. Tickets are in the hands of the members only, who will personally see that no objectionable persons are admitted to the best or grounds. These excursions have the reputation of being most enjoyable in every respect, and it is intended that the coming one shall be no exception to the rule.

For a good time try the union Sunday school excursion to River View on Friday, the 28th. The committee having the excursion in charge are doing all in their power to make each and every one enjoy themselves on that day. There will be both vocal and instrumental music, besides sacred music by the brass band engaged for that day by the committee. You will have plenty of ice-cream, and the drinking water at River View is of the very best and lots of it.

**POLICE REPORT.**—Last night was cloudy and cool with four prisoners but no lodgers at the station house.

The Mayor this morning disposed of the following cases:

Champ Carter, colored, arrested by officer McQueen for an assault on Kitty Jones, was dismissed.

Emma Grover, arrested by officer Hayes for being drunk and disorderly, was sent to the work house for 30 days.

Geo. Lomax, colored, arrested by officer Taylor charged with assaulting his wife had his case continued.

A tramp, arrested by officer Henr. for vagrancy, was ordered to leave the city.

Three young men, charged with trespassing on a lot in the southeastern part of the city by playing base ball there, were discharged and advised to get permission to play on the lot.

The police have been requested to look out for Lucien Dixon, colored, who had forged a note and who had escaped from the sheriff of Prince William county on last Sunday.

**ANOTHER CHARTER.**—Judge Norton today granted a charter of incorporation to the Carnegie Land Company. The objects of the company are to acquire by purchase, lease or otherwise, property, real and personal; to hold, manage, improve, sell, rent or otherwise dispose of the same or to improve the same by gas works, water works, electric plants, etc. The capital stock is to be \$2,500,000, divided into shares of \$10 each, and the principal office is to be in this city. The officers are J. T. Welden, president; J. A. Maher, secretary, and D. S. McIntyre, treasurer, all of Tennessee.

**A CYCLONE TRAVELING NORTHWARD.**—The cyclone reported off the South Atlantic coast and the Gulf of Mexico last week, and which was supposed to have spent itself at sea, reappeared yesterday off the South Carolina coast, traveling northward with the Gulf Stream, and taking in both sea and shore. Violent winds were expected off the Virginia coast to-day.

**IMPROVEMENTS.**—Supt. H. H. Carter, of the A. & F. R. R., was in the city a few days since and said that it was the intention of that railroad company to erect new buildings and to make other improvements to their property in this city at an early day.

**YEARLY SETTLEMENT.**—The city finance committee met last night and wound up the city's affairs for the year. The statement shows a balance in the hands of the city treasurer of \$198.

**A BOLD ATTEMPT TO STEAL A BOY'S WATCH.**—A tramp this evening asked a boy near the First Presbyterian Church to tell him the time, and when the latter took his watch from his pocket the tramp knocked him down and tried to take the watch from him. Some gentlemen were attracted by the boy's cries and hastened to his assistance. The tramp then ran off, without the watch, but not till he had severely scratched the little fellow's face. He was pursued however and captured on North Lee street by Officer Davis and Brenner, who took him to the station house where he gave his name as Joseph Lawson, of New York. The little fellow's name is Eddie Markell, son of Mr. Geo. E. Markell.
